

Greetings Partner,

We are New Harvest Christian Church. Our church has been established in the Crawfordsville community for nearly 28 years, providing food for those in need, giving away clothes and distributing meals on Thanksgiving, among many other ministries.

The **Change of Heart Music Festival** is another way for us to bring the community together for a great cause. Our mission is to share Christ and to empower our community's children and families by raising funds for current and future outreach ministries. Your support will help fund faith-based education for children as well as activities to promote healthy family interaction. This year's festival will be held on **August 8<sup>th</sup>, 2015** on the beautiful grounds of the Lane Place in Crawfordsville. The festival has been successful every year and we are extremely thankful for those businesses that have partnered with us for this annual event! We would like to retain those partners and we're excited for the opportunity to have new ones on board this year! We ask that you would consider partnering with us in this endeavor. Our community is better when we're together!

We are a 501©3 nonprofit organization, so your partnership will be tax deductible. Donations of any amount will be accepted but any business that partners with us at \$300 or greater will be listed as a partner on our website at [www.newharvestville.com](http://www.newharvestville.com). Such partners will also be listed on our festival program as well as all of our marketing initiatives, which will be seen and heard throughout the area.

Please help us make a difference in the lives of our neighbors. Make checks payable to: New Harvest Christian Church (put COH Festival in the memo section) and mail it to P.O. Box 627 Crawfordsville, Indiana 47933.

Thanks for your time and support,

The Change of Heart Music Festival Committee
